

TurfHound™ Tee Surfaces - 2018

TurfHound - What set's us apart?

- Installed in over 40 of the top 100 courses in Canada, USA & Japan
- Installed at over 500 golf courses
- Patented "Active" foam technology under grass simulates structure of Turf with added bonus of soft cushioning
- Unique, interchangeable panel system allows facilities longer product lifespan and more cost effective solution
- Made in USA panel system offers the flexibility to replace small worn sections versus the entire tee line.
- Revolutionary replaceable "tee holder system" enables golfers to use their own tees.
- Available as individual Tee Stations, on-course Tee Boxes, and continuous Tee Lines.

Since TurfHound's Launch, we have had installations at prestigious courses around the nation including Pebble Beach Golf Links, Royal Montreal Golf Club, Mississauga Golf & CC, Canyon Meadows Golf & CC, Bay Hill Country Club, Baltusrol Country Club, North Fork Country Club, Wade Hampton Golf Club, Aronimink Golf Club, Woodmont Country Club, Bellerive Country Club, Colonial Golf Course, Boston Golf Club, Merion Golf Club in Pennsylvania, Kitansett Club, Philadelphia Cricket Club, Edmonton Golf & CC, Royal Regina, Royal Mayfair, and The Country Club, just to name a few.

Keya Golf Club - Fukuoka, Japan Before (Top), After TurfHound (Bottom)

Naples Country Club - Naples, Florida

Bay Hill Club - Orlando, Florida

“The TurfHound tee line is a patented product that is the best I’ve seen and has been extremely well received by our members. We now have more tee space, and better turf year round because the grass has time to regenerate before we move players back to the real grass hitting area. The artificial tee line greatly enhances this regeneration process, especially during winter when the Bermuda grass is dormant.”

Brian Thelan,
PGA Head Professional
Seabrook Island Club

“Our members are glad we finally improved their practice experience. One of the most positive and interesting outcomes is the fact that our members actually prefer hitting from the artificial tee line over real turf, which is a tribute to the quality of the TurfHound product.”

Seabrook Golf Club - Seabrook Island, South Carolina

“TurfHound has made our range look much better. Our prior mats looked old, and were wearing down way too fast. Our members love TurfHound, and are really enjoying practicing off of it. In addition, our staff loves how easy it is to maintain.”

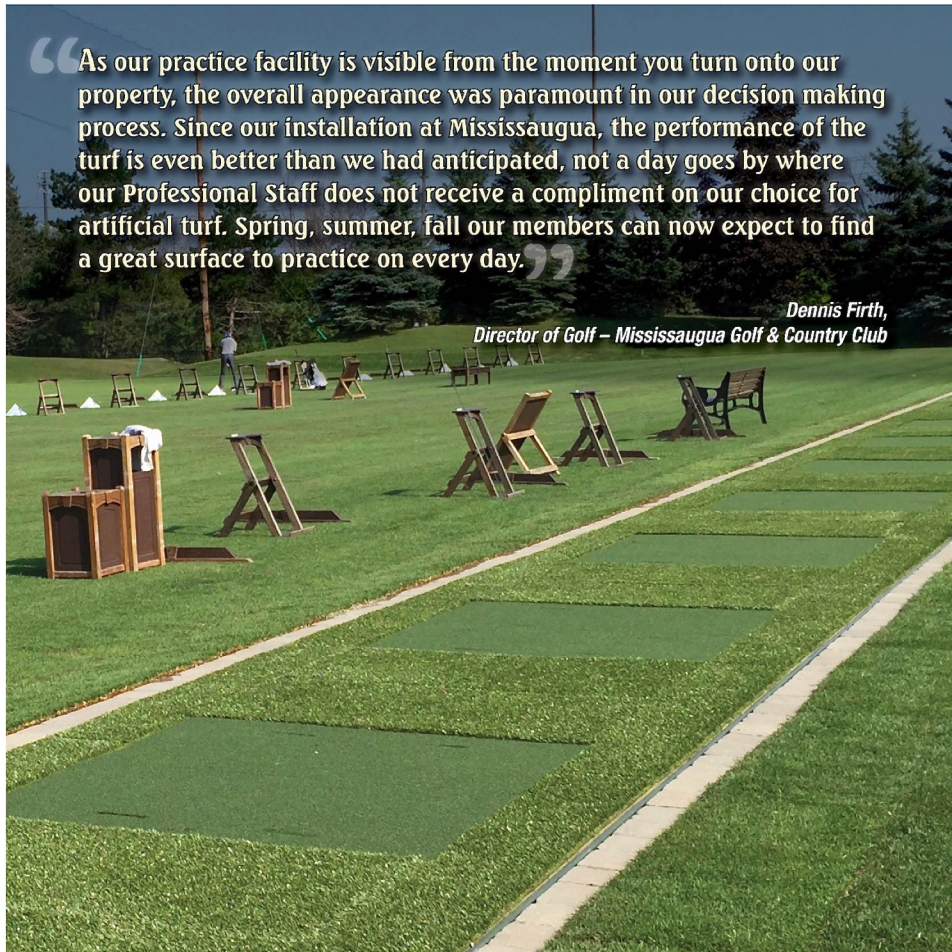

*Dave Zibrik,
Head Golf Professional
Point Grey Golf Club*

Point Grey Golf Club - Vancouver, Canada

“As our practice facility is visible from the moment you turn onto our property, the overall appearance was paramount in our decision making process. Since our installation at Mississauga, the performance of the turf is even better than we had anticipated, not a day goes by where our Professional Staff does not receive a compliment on our choice for artificial turf. Spring, summer, fall our members can now expect to find a great surface to practice on every day.”

*Dennis Firth,
Director of Golf – Mississauga Golf & Country Club*

Mississauga Golf & CC - Toronto, Canada

“After extensive research, we made a wise decision to purchase TurfHound Tee surfaces. In the past when we purchased a continuous strip tee line from different vendors... the strip would always firm up making it difficult to hold a tee... members would also complain of soreness in their wrists, elbows, and shoulders... eventually moving in front of the strip to practice which provided a potentially dangerous situation. After installing our new TurfHound Tee Line... member response is glowing... saying this is just like playing on the course... the interchangeable panels is another reason to select TurfHound. We can remove, power wash, and rotate the panels which will lengthen their life span and still provide a quality hitting surface. We look forward to enjoying our new tee surface for numerous golf seasons.”

*Paul Michaelian,
PGA Professional – Princess Anne Golf Club*

Philadelphia Cricket Club- Philadelphia, Pennsylvania - Private Instruction Stations

Sunriver Resort, Woodlands Course - Bend, Oregon

Olympia Fields Country Club - Olympia Fields, Illinois (TL080)

WindMill Heights Golf Club - Quebec, Canada (TL059)
